- Improved website functionality and responsiveness, resulting in a 40% increase in user donations and engagement.

## Education

### Maa Shakumbhari University

Bachelor of Computer Applications

07/2021 - 07/2024

Saharanpur, Uttar Pradesh

## Achievements

- Contributed technical [blogs](#) on web development and AI.
- Solved coding challenges on LeetCode and GeeksforGeeks, improving problem-solving skills.

## Languages

- English (Professional)
- Hindi (Native)

## Interests

- Learning new technologies and programming languages
- Developing innovative web applications
- Exploring advancements in artificial intelligence and machine learning
- Participating in hackathons and coding competitions
- Reading tech blogs and staying updated with industry trends
